March 2006

IMPORTANT!! The Club is **NOT** going to Lynn's Pancake House on Feb. 26th. The Club decided at the Feb. meeting to go to Mrs. Rowes in Staunton. The time will be at 2:30 PM. Please note the time. It was announced at the meeting it would be earlier, however; the restaurant wasn't able to accommodate the Club at that time. Again, Feb. 26th @ 2:30PM, Mrs. Rowes Restaurant in Staunton. It is located right off Interstate 81, Exit 222. Jim Carver will be assisting us in parking, so just look for him and he'll tell you where to go.

Members reported that the meal at Pano's was good, however; there just happened to be an accident on 81 that day, so traffic was real bad.

Phil Kania is updating his list of email addresses, so please make sure he has the right information for you. If you aren't receiving any e-mail notifications from him and would like to, please let him know. PMKania@aol.com.

If you are currently receiving the newsletter via regular mail, please consider accessing it online. You will receive it sooner, and it will also contain all the graphics and clip art that I put in it. The mailed version will be changed slightly so as to fit it all on one page, front and back. If you can access it online please let the newsletter editor know so we can take you off the mailing list.

Jim and Linda Carver are planning a trip to Gatlinburg, TN May 11-14th. If you'd like to go, please contact them for more details. 540-946-8255.

Future Club Events

February 26th- 2:30 PM. Mrs. Rowes Restaurant in Staunton. See above for details.

March 13th-Regular Club meeting at Eavers Museum at 7PM.

March-The Tailgate Restaurant. Details to be announced later.

April 8th - Tentative- Stonewall Jackson Hotel and Restaurant in Staunton. Mary Faye is checking on this, and will let us know what date and time she is able to set up. The cost will be \$20.95 per person, and we will have a private room. The cost includes steak, tea, and the complete meal. The hotel has agreed to waive the room rental fee for us. Look for details soon!

Trivia and Fun Facts

Last month's question asked what year introduction was the first to have a completely all-new engine driving a rear transaxle? The answer is a 1997.

This month's question: The 68 model had a feature that was unique to that year only. What was the feature?

Did you know that when the engineers were testing the new C-6 in Germany on the autobahn, that it only took them 90 minutes to drive 200 miles? Guess what the speed was.....180 MPH!!
