The Carvers have sent out an itinerary for their trip to Bowling Green on April 25th. If you are interested and haven't seen the info. please contact Jim and Linda for details. E-mail: jimsquicksilver@aol.com, or (540) 946-8255.

The website has been updated to include current pictures of our trips and meetings. Please take a moment to look at them. We appreciate everyone who takes pictures for our Club. If anyone has pictures they took of the Club and you'd like to publish them on the website, just send them to Mick Lemish. Contact information at the end of newsletter. The members discussed getting some publicity in the local newspapers for our donations and help to the Food Bank. The Club continues to donate to the Food Bank and would like to remind everyone to bring your donations in the form of a check or cash as this seems to work better than bringing food. You may make your contributions at the monthly meetings.

The Club would like to have some more members to plan new Club events, and also we encourage new speakers to be invited to our monthly meetings. We would like to have fresh new ideas for places to visit. If you know of somewhere you think the members would enjoy going, please contact Rick Hicklin so he can allow time to discuss it at the next meeting.

B. Martin is getting details together about a tour to the Hortland Winery in Barboursville. The cost is \$20.00 per person. There will be a BBQ, door prizes, and samples. More information to come soon on this exciting trip.

Trivia and Fun Facts

Last month's question asked if you knew where some of the 64 model bodies were supplied from? They were supplied from Dow-Smith in Ionia, Michigan.

The question for this month asks your knowledge of 1970 models. They were updated with a particular item on the body due to damage that occurred in the 68-69 models. Do you know what part that was?

Did you know that you can get a build sheet, window sticker, and other items for your Corvette through the National Corvette Museum? They have most models available.

Most of you probably do know this, but for new owners and members of the Club this might be of interest to you.

If you have a story, news, etc., that you think might be of interest to other Club members, please e-mail it to me, the Newsletter Editor-Lisa McTighe. I would be happy to share it with everyone! Contact info. can be found at the bottom of the Newsletter.

Don't forget! We also publish sale/want ads for members who wish to sell or buy any items for their Corvettes in the newsletter. Just let me know if there is anything you would like to put in the next edition.

Please remember to check & see if an event is still being held, or if any changes have been made before leaving especially in inclement weather situations. You can check the club website or contact Rick Hicklin.

If you don't have a copy of the Information Sheet that Art Rottenborn has made up for the Club, please contact him. He did a great job on them; they are very informative, and will help the Club gain new members.
