The Club's next regular monthly meeting will be held at Eavers Classic Car Museum in Mint Spring. This is on Saturday, July 7th, and will be at 2PM. The Club will then go to Red Lobster in Staunton for dinner afterwards. Please make plans to attend!

Coming up this weekend, Mystery Tour with Ken and Susan Williams. Club members are asked to meet at McDonald's at Zion Crossroads at 12 noon. Off of I-64, the exit # is 136. This sounds like a lot of fun. Please come out and join your Club and see where we end up!

Thanks goes out to Ken Williams's niece for taking pictures of the Club members at Swannoa on Afton Mountain. The members really appreciated her doing that. The pictures will be available in July.

Members discussed a possible change to the Cruise-in at Peties that's usually held on Mother's Day each year. It was mentioned that possibly a better day and time would be the Friday before in the evening. As time nears for the show next year, the Club will make a final decision regarding the change.

If you know of a parade the Club might enjoy, please contact Art Rottenborn. Contact information at end of newsletter. In keeping with Independence Day, next month's questions concerns the 76 year models. There was an item in this year model that had a name befitting Independence Day. Do you know what that is?

Did you that Chevy decided it would be a good idea in 76 to share a new sport steering wheel that was in Corvettes, with the Vega and other models? Corvette enthusiasts didn't think this was a good idea.
