### *June 2008*

Club President Rick Hicklin and his wife Alana have offered their home to the Club for the June meeting. Their son will be getting married the end of June, and they are having it outdoors and will have the tents and everything already set up, so they decided to host the Club on June 29<sup>th</sup> at 2PM. This will be a covered dish event and will be held rain or shine. Roasted pig and hot dogs will be provided. You may bring any alcoholic or non-alcoholic beverage of your choosing. Since alcoholic drinks are being allowed, and due to other possibly dangerous obstacles in their yard, **this is an ADULT only event**. No children under the age of 18 are to be brought to the meeting/dinner. Rick thanks you for your understanding and greatly appreciates your cooperation. As always, the Club will provide the ice and paper products. The directions and address to their house are: 2522 Barrenridge Rd. in Staunton. From I81, take Exit 227/ Rt. 612/ Verona. Go east towards New Hope. Drive about 2 miles turn right at Woodmen of the World Building onto Barrenridge Rd (Rt. 642), go half mile and turn right at the black mailbox with balloons on it. In case of rain the event will be held at the Woodmen of the World Building. You may contact Rick with questions @ 540-949-4924(work), or 540-248-1748(home).

The final decisions regarding the Christmas party will be settled at the June meeting. We will vote for the menu, and discuss any other issues further.

The Club had a guest speaker at the May meeting. Alan White visited the Club and gave the details regarding the Soap Box derby in Waynesboro. This was held last month, and the Club sends out its thanks for stopping by.

The Club is putting together a committee to further discuss and plan having Elliott Chevy as our Club sponsor. The committee chairperson will be Roger Stover. Other members will be Scott Evans, Bob Mesmer, John Heil, and in his absence at the May meeting, Phil Kania generously "volunteered" to also help out. ☺

A reminder about the Club discount at Elliott Chevy. You must show your Club membership card at time of purchase. Members will be offered a 15% discount for parts and accessories only. **The discount extends ONLY to CORVETTE merchandise. There is NO discount on labor.** Thank you for following these guidelines.

### Fun Facts & Trivia

Last month I wanted to know some of the new options available in the C6's. Which ones did you come up with? To name a couple;  
On Star and XM Satellite Radio.

This month I test your knowledge about the engine of the 85 model. Year's 82 and 84 both had Cross Fire Injection. Did the 85's have Cross Fire also??
