The final decisions for the menu for this years Christmas party have been made. The Club members voted at June's meeting, and the items will be: Country Style Steak & Gravy and Turkey with dressing, whipped potatoes, country style green beans, and fruit bowls, green salad, rolls, Tea, coffee, and chef's dessert. As the time draws closer, will we give more details about the party itself.

Club member James Stewart with Food Lion in Fishersville, is sponsoring a car show on September 13th from 9-4PM. The event will benefit the Children's Miracle Network. The entry fee will be \$5.00 per car, with dash plaques, car awards, etc. The Club has formed a committee to head this event up, consisting of Rick Hicklin, Curt Glover, Phil Kania, Sandy Tenney, and James Stewart. Watch for further details coming soon!

Corvettes at Carlisle will be upon us soon! Club members Nancy and Ledford have stayed at a hotel in Shippensburg, PA, called the Shippen Place Hotel and they say it's a very nice hotel. The hotel is about 17 miles from Carlisle. If you are interested, check out the hotel's website www.shippenplace.com.

June's meeting at Rick and Alana Hicklin's house was very nice. The weather was threatening with rain, but it held off for the most part and everyone had a nice time along with some great food. We send out a big thanks to the Hicklin's for inviting the Club members into their home.

Kerbeck Chevy in Atlantic City, NJ has over 130 vettes in stock, and they are advertising some great prices. If you're in the market, check out their website. www.kerbeck.com.

It has been suggested that the Club attend the Vettes at Ocean City, MD event October 3-5th. If this is something the Club wants to do, we must decide quickly as the tickets and hotels go fast. Some members have gone before and we've had mixed reviews about it.

Fun Facts & Trivia

Last month's question asked if the 85 models had the Cross Fire Injections. Nope! It came with the Tuned Port!

Events attended by members in June.

Vettes at Myrtle Beach: It was HOT!! The event was nice though.

Zip Show: It was also hot, and there was a \$25.00 fee, which was thought to be too much for what they got.

Springhill Show: Very nice, about 80 cars attended.

GM Nationals: Good show.

Vettes in the Valley: Nice and had a good time.

Citgo Grand Opening: Gas was *just* \$3.75 a gallon, but there really wasn't enough room for a car show there.

Star City Show: Went well, about 90 vettes were there, the Corvette Museum had their blue ZR 1 there. The cruise the night before was packed with both vehicles and spectators.
