April 2009

The monthly Club meeting for April will be held at Eavers Museum in Mint Spring on April 13th at 7:00 PM. If you'd have anything to discuss, please contact Scott Evans prior to the meeting so he can make sure to schedule time for it in the agenda.

Club members discussed a future trip to New River Gorge in WV. A good bit of interest was shown in this idea, so watch your newsletter for details on this exciting excursion!

Member News:

Phil Kania has undergone surgery recently. Please keep him and Donna in your thoughts. Hope you're doing better! **Mick and Kyle Lemish's** mother is in the hospital. Our thoughts and prayers are with your families!

The Club voted on selling the P.O. Box, but the members voted to keep Box # 1.

The Prez Sez:

Flowers are pushing through the moist soil to feel the warmth of the sun. Just as garage doors and covers open to reveal our hibernating fun mobiles, spring has sprung! The smell of the leather, the sound of the exhaust, and the feel of "on the edge of your seat" driving. It is time to awaken our sleeping beasts. I now pronounce the 2009 driving season open! Your Board Members wish you a safe and enjoyable season. Many activities are quickly approaching and I hope you all can come on out to share in the fun!

Scott Evans

The Grandfather Clause was voted on and passed at the March meeting. See details in the February newsletter.

Happy Birthday!!

**LaGrange Wine Tasting & Corvette
Show - Saturday, April 11th 2009**

This is our third annual visit to LaGrange Winery. ODCC is holding a Corvette cruise-in and inviting Corvette enthusiasts from all over the tri-state area again. In 2007 we had 50 Corvettes, in 2008 we had 80 Corvettes, and we're hoping for even more this year! It's an absolute honor to have been invited back by the winery for another year of free tastings, beautiful scenery, and the wonderful hospitality of the LaGrange Winery. Lets see if we can't break 100 Corvettes this year!

The winery sells bottles of wine and some snacks. Last year many Corvette enthusiasts brought picnic lunches and finger foods. To encourage people to make a day at the winery, this year LaGrange is allowing us to use the grill area / patio for those who want to cook, and share their goodies. Don't forget a chair!

Continued:

All Corvettes and clubs should converge directly on the winery for "Corvette Only" parking. The official start time of the event is 12:00 PM Noon.

We're trying to break 100 Corvettes this year, so please plan now to attend!
