The banners for your Corvette's windshield may still be ordered; however, please note, the prices have changed. They are now \$18.90 for the straight ones, and \$22.05 for the curved ones, which only fit the 84-96 models. All other years should order the straight.

#### Member News :

Petie Eavers was in a car accident. Jim Carver has gotten a pacemaker. Both are doing well! ☺

The Club is planning a trip to New River Gorge in WV soon. This should be a very fun trip! Please come to your monthly meetings and help us plan this event and also to give us your suggestions for future outings. We want to hear from you! Feel free to contact Scott Evans at any time with suggestions on places the Club could go.

Note from the Newsletter Editor: We have our house for sale, and we are looking at moving a little further away. If we get the house we want, it will be too far for me to get to the meetings, as I have trouble even now with my busy schedule. Please if anyone in the Club would like to do the Newsletter, please let me know. Thank you! Lisa McTighe

## Club Events

July:

**4<sup>th</sup>: Gypsy Hill 4<sup>th</sup> of July Parade in Staunton.** Line-Up at 9am-9:15am at Tams Lake near the Braves Field. You will need to take Lake Ave, and enter through the Braves field. Entry fee is \$5.00 per car. The parade starts at 10am. Please contact Scott Evans by July 1<sup>st</sup> if you are planning on attending.

**11<sup>th</sup>: Horton Winery**

**16<sup>th</sup>: Stuarts Draft Parade:** Line-up starts at 5:30PM at the Hollister Plant, with the parade beginning at 6:30. It is a very short parade, so it wouldn't be too hard on those vettes that tend to overheat. There will be trophies for first and second places. After the parade there will be parking available so you can enjoy the Lawn Party. They have good food, and everyone always has a good time. Contact Terry Marshall for more details, or questions. 540-943-7227 or 540-255-2555.

**18<sup>th</sup>: Monthly meeting at Blue Ridge Café in Ruckersville.** See above for information.

## Other Events

June:

**26<sup>th</sup> & 27<sup>th</sup>: Star City Motor Madness Cruise and Show in Roanoke.** The Cruise will be held on Williamson Rd. from 6-10pm, but it goes longer than that. Greg and I attended this event last year and it was fun. Instead of just seeing the cars parked at a show, you actually get to see and hear them running up and down the road. Many spectators and car owners alike line the street to see these awesome vehicles. The show itself will be held from 2-7PM downtown.

Check out their website:

## 28<sup>th</sup>: Edinburg Park: Free Show

July:

**11<sup>th</sup>: Cruise-In at Groves Harley Davidson in Winchester.** This year, instead of an all Corvette show, they decided to involve the local Mustang club, and some other hot rods. We need a good showing of Corvettes to outdo the Mustangs! The event runs from 10-3, but you are welcome to come at any time and stay for as long as you like. Since this is a charity event for the SPCA, there is a \$10 per car donation. They will be parking on the upper half of the new parking lot, so bring your chairs and your tents! Scott and Glynn attended this event last year and they report that this was a nice event. This invitation was sent out from the Shenandoah Corvette Club.
