JULY MEETING

**The July meeting will be held on July 17th @ Eavers Museum @ Mint Spring, VA
@ 1:00 p.m.
After the meeting members will go out to eat together.**

The June Meeting was held at Timberwood Grill near Charlottesville. There were 31 members in attendance, including new members Bob Paczowski, Donnie Best and friend Jane in attendance. The restaurant was equipped with an overhead projector and screen so I hooked my laptop up and ran old pictures of past events as well as the agenda and some flyers of upcoming activities. Most seemed to like this and its great to see many of the places we have gone to as a club. Seeing the pictures of Doug Cragun cleaning snow of his Vette on the way back from a trip to the factory was neat.

New River Gorge Bridge - W. VA - May 22nd & 23rd

This trip was, if nothing else, a VERY memorable trip which started good then went bad, but ended well. At least for most of the club who went it ended well. Max and Wanda Haslip driving their daily driver Camaro had a close encounter with a deer who, after deciding it couldn't get through the passenger side window to sit on Wanda's lap, settled for banging off the rear fender of their car. For me, your erstwhile president, after driving in the torrential rain and standing water somehow my Vette managed to ingest some water into my engine and ruined it. MAJOR BUMMER!!!!!!! Much thanks go to Roger Stover, Dewey & Lilly Morris who never left our side until my baby was winched up on a roll back. Susan and I got a 2 hour ride in a roll back from White Sulphur Springs, WVA to Jim Price Chevrolet. (Yippy!) I shared with those in attendance at the June meeting my plans regarding my car and hope it will all work out. At least I have my 2000 C5 to drive so I am not Vetteless.

The rest of the trip seemed to go real well and many want to go back for a return trip. Susan and I will be happy to just finish, the next one. Ha.
